*Grow Together Shine Forever*

11<sup>th</sup> December 2018

Dear Parents/Carers,

On Friday 4<sup>th</sup> January, Year Three and Four will be having their Hook Day to introduce their exciting new topic: 'Burps, Bottoms and Bile'!

As part of the day, children will learn about all about their teeth (and the teeth of different animals) from a Dentist. Children will also have the chance to investigate how well they clean their teeth, which will involve brushing their teeth and using plaque disclosing tablets. Finally, children will be looking at how food travels through their body by making their own models of the digestive system.

**If you would prefer your child not to take part in any of these activities, please inform the school office before Friday 4<sup>th</sup> January.**

Please can children bring in an old t-shirt/apron as some of the investigations may get messy!

Thank you for your cooperation.

**Years Three and Four Team**
