Grow Together Shine Forever

3rd July 2019

Dear Parents/Carers

Year 5/6 Production 'Darwin Rocks!'

We are performing 'Darwin Rocks'!. Performances will be on Tuesday 16th July at 1.30pm and 6.00pm, then on Wednesday 17th July at 6.00pm.

You are invited to come and watch our production on either of the dates above. Seats are available by pre-booking online prior to the performance. Only those parents that have pre-booked will be permitted to attend. As before, seats are limited to **3 per family overall and small children do need a seat**. To reserve your seats, please log on to our website, www.highash.bucks.sch.uk select the 'Parents' tab followed by 'Booking School Events', then complete and submit your booking form indicating how many seats you will require. **Please ensure you reserved your seats by the end of the school day Wednesday 10th July**. If there are any seats available after this date, **additional seats will be offered to Year 6 parents only**.

PLEASE NOTE THAT DUE TO OUR HEALTH AND SAFETY FIRE RISK NO INFANTS WILL BE PERMITTED TO SIT ON ADULTS LAPS.

We are looking forward to sharing the KS2 Production with you this year and are happy to inform you that the afternoon performance will be filmed. We have been fortunate to be able to secure the same professional company we used for the Foundation and KS1 Nativities, previously called 'Ultimate Visuals' but now called 'Creative One Productions Ltd'. There will be NO DVD's since they now have a more modern approach to what they offer parents. You will be able to experience your child or children's production from a smart phone, tablet or computer. The film can also be downloaded if required. The production will be filmed, edited and uploaded on to a personalised Online Portal that is password protected. If you wish to receive the link to this portal and the password to access the file, **please pay the cost of £10.00 via your parentpay account by Wednesday 10th July selecting the following payment item: -**

Y5/6 Production 'Darwin Rocks'! Recording

The portal is a place where you can access the film and download for archiving in a far superior quality than anything we have previously experienced. All parents that have signed up to receive the link and password to access the file will be able to enjoy watching the performance on-line in just days after the production has been filmed.

Since the productions are being professionally filmed, no parents will be permitted to record the performance on a personal mobile device. Photographs of your child can be taken at the end of each performance for your personal use only, not to be uploaded on to any social media sites.

All children within school will be watching the performances at their dress rehearsals. On the evening performances we ask that all children arrive at school at 5.30pm to allow time for them to change. **Doors will be open to parents for sitting at the same time.**

I look forward to seeing you at one of the performances and thank you for respecting the 3 seats limitation.

Yours sincerely,

Mrs Sara Boyce
Headteacher
