

RISK ASSESSMENT

Name / Activity: <i>Therapy Dog Visiting High Ash School</i>
Date: <i>26th May 2021</i>
Identified Hazard: <i>Catching COVID-19</i>
Who is at risk (e.g. client/ member/ community) <i>Pupils and staff at the school.</i>
Likelihood of risk (1=very low, 5 =very high) 1 2 <u>3</u> 4 5
Severity of risk (1=very low, 5 =very high) 1 2 3 4 <u>5</u>
Total risk of score- Likelihood X Severity – (high =17-25, medium 9-16, low 1-8) <i>Medium</i>
Action to reduce score and to manage the risk <i>Observe hand and clothing hygiene</i> <i>Observe Social Distancing</i> <i>Observe any requirements for PPE, masks, gloves etc.</i>
Conclusion / recommendation <i>As long as recommendations are followed, the likelihood is very low, however, the severity could be very high if caught.</i>
Risk assessment undertaken by: <i>Sara Boyce - Headteacher</i>
Review date: <i>Ongoing as guidance is updated.</i>
