

Hello from HASA!

WHO ARE HASA?

High Ash School Association is a group of friendly, likeminded people who volunteer their time to help the school whilst building friendships and arranging fundraising events.

HOW DO WE HELP THE SCHOOL?

We can help fund additional items that the school budget doesn't cover, such as additional resources, experiences and trips. We have also run social events to help keep the school grounds tidy and foster a sense of community for parents and carers.

WHAT HAVE WE PREVIOUSLY FUNDED?

LOTS! The climbing frames in each playground and all-weather outdoor canopy, interactive white boards, library books, phonics resources, Christmas entertainment and gifts, transport on school trips, Year Six Leavers hoodies and more. Last year we raised £4,500 despite all that Covid cancelled, and this year we have doubled that already!

HOW YOU CAN HELP US?

VOLUNTEER

If you are interested in joining our team and helping us plan events and activities please email highashschoolassociation@gmail.com, or send a message via the Facebook page (search for High Ash C.E. Primary School Association – HASA) to find out more, all are welcome and we would love to hear any fundraising ideas that you might have. You can volunteer to help at an event without being a Committee member, and spread the word to others about what we do and achieve – even liking posts on Facebook & sharing posters helps raise awareness.
