

# High Ash CE School

Friday 28th April 2023

*'Let your light shine' Matthew 5:16*

*Grow Together Shine Forever*

Dear High Ash families,

I can't believe that we are already at the end of another busy week here at High Ash! In the past week, I have had the privilege of welcoming in some visitors to help us evaluate and support our school. They have all been incredibly complimentary about the behaviour of our children and the learning provided by staff. One even said that High Ash is "a very special school." We have also launched our eco-committee this week and it is wonderful to see how passionate the children are about looking after our local and wider community. I hope you all enjoy the long Bank Holiday and we will see you on Tuesday.

Ruth Lewin, **Headteacher**

## ***This week's report from our Roving Reporters Lottie and Eliza!***

This week in Roving Reporter we have asked Year 5 pupils about their swimming lessons so far this term. Cerys told us that she enjoys the lessons because it is fun to practise swimming if you don't swim regularly. Fleur said that she likes practising new techniques in the pool and Malachi likes swimming long distances. Carmen and Elliot both said the swimming teachers are always helpful and make the lesson fun and finally Blyth said swimming is her favourite lesson in school at the moment. It sounds like Year 5 are enjoying their swimming lessons!
