Grow Together Shine Forever

Dear High Ash families,

What a busy week here at High Ash! Year 6 have had a fabulous time in Shropshire for their residential. I recommend you look at our Facebook and Instagram pages to get a glimpse of what they have been up to! Mrs Goodger and the team have been so thrilled with their resilience and enthusiasm to try new things. The sun shone on Key Stage 1 as they explored Whipsnade Zoo on Wednesday. They came back chatting excitedly about the animals they had seen and with very tired feet from all of the walking! We have been really impressed with how Year 5 have approached a slightly different week with their classmates away. They have taken real care building their pyramids and have produced some fantastic poems. Poetry seems to have been the theme across the school: Year 3 and 4 children have been writing some wonderful poems inspired by their biomes topics and I was proud to share some with Rev John Waller when he visited earlier this week. Acorns class have also taken advantage of the sunshine this week and have enjoyed using their outside areas for their learning. We hope you have a fantastic weekend.

This week's report from our Roving Reporters Lottie and Eliza!

This week, with Lottie on residential, Eliza asked Key Stage 2 students which HASA activities they enjoy the most. Movie nights were most popular, closely followed by the school disco. Treat Friday and craft nights were also mentioned. Children were also asked for ideas for other things that they want HASA to host. One suggestion was to bring back the Summer Fete that many of us miss from before COVID.

Brickstock has long been held in high regard as a hugely fun local festival with music, food, stalls and fun activities a plenty. This year HASA is in the very privileged position of being chosen as Brickstock's charity of choice, meaning that we will receive a very generous donation from the events takings. This is a huge honour for us and means that these funds will go directly to school to support them to provide our children with access to opportunities and activities that they could otherwise not. **You can help directly in this by purchasing tickets for the event which is being held on Sunday 28th May at Great Brickhill Cricket Club.** Why not grab some tickets by either scanning the QR code on the flyer below or on the gate! A great day will be had by all whilst helping to raise much appreciated funds for our school.

Thank you as always for your continued support!
