'Let your light shine' Matthew 5:16

Grow Together Shine Forever

Dear High Ash families,

Although it has been a shorter week for the children, we have managed to pack in an awful lot! Year 5 and 6 had a great day at the Natural History Museum in Tring, exploring how animals adapt to their environment. Years 1 and 2 began their new topic with an exciting adventure in the hall and had to work out what marine creature had escaped. It was lovely to hear their reasoning skills being used as they looked at all the different clues. Foundation Stage are already immersed in their new topic and have enjoyed exploring sea creatures - the water play has been particularly popular! Finally, Years 3 and 4 had a superb day thinking about America and have learnt how to play baseball and be a cheerleader! I have been really pleased this week to hear from children who are wanting to help others outside of school and so plans are afoot for a sponsored sports event one lunchtime to raise money for Macmillan as well as a second-hand book sale to support children within Buckinghamshire. Hopefully you have received the email earlier this week with plans for our gardening and painting day on Sunday. We hope it will be a great opportunity to draw our school community together to make our outside space look amazing for the rest of the term.

Ruth Lewin, Headteacher

This week's report from our Roving Reporters Lottie and Eliza!

This week it was the turn of Years 5 and 6 to go on their school trip. They visited the Natural History Museum in Tring. Alfie said he enjoyed the workshops and touching the animals. Tatiana thought it was interesting to learn about the animals from years ago and Renee was fascinated by how the animals were stuffed ready for display. Aimee and Sophie were pleased they were able to watch a video so they could see what the animals looked like when they were alive.

Dates for Your Diary:

Sunday 11th June- Gardening/painting morning (10.30am-1pm)
Monday 12th June-Thursdays 15th June - Year 5 Bikeability
Thursday 15th June 6pm - information evening for Year 5 about Secondary Transfer Test (Year 4 parents are welcome) followed by 2024 residential trip information
Friday 16th June - Special Men's Assembly and KS1/Fdn Star assembly at the earlier time of 2.30pm

Hot weather

The weather forecast looks as if it will be very hot next week. Please can you send your child into school with a hat and a full water bottle as well as applying sun cream in the morning before they come to school.

Sunday 11th June – High Ash CE Primary School

10.30am-1pm

Bring your gardening tools, wheelbarrows and paintbrushes to help transform our outside spaces at school!

We will be creating an area for our younger children to be able to access Forest School; clearing space to create areas to grow more vegetables and fruit (part of our eco-committee's drive to be a Green Flag Eco School); and painting some fences to make them more colourful!

All families are welcome (including grandparents, aunts and uncles etc) but you will need to supervise and be responsible for your own children.

Tea, coffee and squash will be provided.

Come for as much or little of the time as you wish.
