Grow Together Shine Forever

Dear High Ash families,

It was lovely to welcome so many visitors in to school this afternoon for our 'Special Men's' Assembly. Our younger children have worked incredibly hard in preparation and we are proud of their performances! We have had some great successes outside of school in various sporting fixtures and festivals this week and the children have been really good ambassadors for our school. This week Lance Cornish spent an afternoon with Key Stage 2 classes sharing the Coronation scroll that has been created by Leighton Buzzard Arts Society. We have been invited to create our own pictures to be added to the scroll; I have already received some lovely pieces but please remind your children to bring in anything that they would like to contribute. Key Stage 2 also had an assembly led by one of Buckinghamshire Music Trust's brass teachers where he shared a wide variety of instruments. We are really excited to be able to offer a range of instrumental lessons from September. More details to come! I just want to finish by thanking all of the staff, governors and families who joined us last weekend to garden and paint. Hopefully you have spotted some of the upgrades and the children are already enjoying the spaces. If you weren't able to join us but would like to help, please speak to Dean Priestly on the gate - there are opportunities after school to paint a bench or two. Have a great weekend. I look forward to welcoming you all on Friday for Sports Day.

This week's report from our Roving Reporters Lottie and Eliza!

This week Lottie and Eliza asked some people about their thoughts on the Summer Concert auditions. Gaby thought it was good even though there were so many auditioning! Blythe was a bit nervous because there were lots of great auditionees and Liviya was excited and nervous at the same time but she still finds it fun after years of performing in the Summer Concert.

Sponsored Event

Some Year 3/4 children have organised an event with all monies raised going to Macmillan Cancer Support. All children will be either jogging, walking or skipping around our track as part of their PE lesson. They can be sponsored per lap or an overall total amount. There is no requirement to be sponsored and we have spoken to the children about speaking to parents/carers before asking anyone to sponsor them. Sponsor forms and more details will be going out next week.
