## Note of thanks!

We were blown away by the generosity of the High Ash community over the Christmas period and in support of our quiz night. Thanks to your support, we raised a significant amount, putting us in a strong position as we continue working towards our fundraising goals for the school, specifically for some additional chromebooks and new playground markings. While there is still some way to go, we are incredibly grateful for the encouragement and support families have shown. Thank you!

## School Lottery

We're excited to let you know that our school lottery programme will be going live after Easter! Some of you may have heard us talking about this new initiative; it is an easy way to support the school by playing a weekly lottery, with the chance to win cash prizes while raising vital funds for our children. Details on how to get signed up will be coming very soon, so keep an eye out!

## Raffle Thanks

Huge thanks to all those that donated Easter Raffle Prizes for our prize draw. We had eleven delighted winners and raised lots of funds for the school.
