

Violin Lessons at High Ash

Dear Parents,

Violin lessons are offered at High Ash for all those from Years 2 - 6.

I am an experienced performer and teacher having trained at the Royal Northern College of Music and held teaching positions at Bedford and Oakham School.

Lessons will be tailored to suit the individuality of each child, the way they learn best, and the style of music they enjoy most (classical, folk, pop, jazz, bluegrass etc.) Music theory, improvisation and singing will all be included in the lessons.

Instrument hire is available from Milton Keynes Music Service - I can help you arrange this.

Lesson Rates

2 x 20 min trial lessons free of charge (i will provide instruments for this)

£22/30mins (*in line with Musicians Union teaching rates*)

Invoices will be sent at the end of each half term.

The cognitive and emotional benefits of learning an instrument have been widely researched and proven, if you'd like to read more about this please have a look at these articles:
